Whole School Objectives

The Willink School: School Development Plan 2013-14

Whole School Objective 1. Achievement

Key Outcomes, targets and success criteria

Raise standards of attainment and progress by setting high expectations for both cohorts and student groups (so the school can confidently demonstrate overall achievement as at least “good”).

- a. Raise standards of attainment at KS3, KS4 and Post 16. Attainment targets are for 2014:
 - i. KS3 English (L5+ 90%, L6+ 60%, L7 20%); KS3 Mathematics (L5+ 90%, L6+ 70%, L7+ 39%)
 - ii. KS4 5+A*-C (including English and Mathematics) 81%; 5+A*-C 93%; Ebacc 33%; A*-A 26%; Capped pts 370
 - iii. Year 13 ALPS (overall value added score >0.9, value added grade 3).
 - iv. Year 10 target (FFTD 71% 5+A*-C, inc E&M)
- b. Raise standards of progress for specific learner groups. Progress targets for 2014:
 - i. KS2-4 English (86% expected level of progress, 42% of able students achieving 4 levels of progress); KS2-4 Maths (79% ELP, 52% of able students achieving 4LP) KS2-4 English & Maths (76%ELP, 39% of able students achieving 4LP)
 - ii. Student groups (SEND, school action, low, middle and high abilities on entry, pupil premium recipients including looked after children (LAC), those entitled to Free School Meals (FSM) and service families’ children, boys/girls) make expected levels of progress (targets set at two sub-levels per year at key stage 3, FFTD / one grade per year key stage 4.
 - iii. Ensure the gap in attainment between pupil premium recipients and the rest of the cohort is closing (target <10%), carefully checking the impact of specific initiatives designed to help these groups make accelerated progress.
 - iv. Evaluate the impact of CLIL initiatives on achievement and quality of teaching in preparation for the 2014 curriculum model
