

The Willink School Behaviour Code

(Appendix – changes in the Code in response to the Covid-19 pandemic)

This Appendix complements rather than replaces the Willink's Behaviour Code. It details adjustments to the Code that have been made as a response to the Covid-19 pandemic. Covid-19 has brought about unparalleled levels of change to our normal routines in school. Adjustments to the Behaviour Code have been made to ensure that the school remains a safe environment for all students and staff, in which students are able to learn effectively while still adhering to the protective measures put in place by the school following the advice of Public Health England and the Department of Education. This appendix will be reviewed and updated regularly.

Staff are expected to have read and understood the school's Risk Assessment relating to Covid-19 and must follow the protective measures required by the school. Staff must be vigilant and proactive, supervising students to ensure that they adhere to the protective measures required by the school and taking appropriate action if any student fails to adhere to these measures.

Expectations in classes and in Face to Face meetings: The Willink Successful Six

- Be **punctual** to appointments and lessons
- Wear your **uniform**
- Have necessary **equipment** and paper (the school will not supply). Do not share equipment
- Remain **focused**
- Complete **work set** by the required deadline
- Be **respectful**

Consequences

- Many of the sanctions for misdemeanours used by the school under normal circumstances, such as after school detention, cannot be safely put in place during the pandemic. As the safety of students and staff during the pandemic is paramount, the school will have no choice but to bar access to on-site provision on the grounds of health and safety until the situation has been rectified with students and parents.

School Community Code

- If you have any symptoms of coronavirus, then do not come to school
- If you develop symptoms while they are in school, inform a member of staff and follow their instructions
- Catch coughs and colds and bin tissues
- Come to school with all necessary equipment (as spare equipment cannot be given out) and a filled water bottle
- Follow the protective measures required both in school and on the journey to and from school keeping 2 metres distance as far as possible and washing hands regularly and properly
- You are expected to exhibit exemplary behaviour, ensuring that no learning time is lost
- You must follow the instructions of staff to ensure that the school remains a safe environment for all students and staff
- Follow the signs, keep to the one-way system when moving around the school
- Do not congregate in groups
- Avoid physical contact

Wider Community Code

The school values its excellent reputation in the local community and it is your responsibility to protect this reputation by upholding the school ethos outside school and following Government guidance with regard to Covid-19

- Wear the school uniform travelling to or from school
- Keep 2 metres apart and do not congregate in groups
- Show consideration and respect to other members of the public by keeping 2 metres distance on footpaths, on public transport and in shops.

Parents and carers please:

- keep your child at home if they have any symptoms of coronavirus, adhering to Government guidance
- be available (or inform the school of a named contact) to collect your child promptly in response to contact from school if they or anyone else in their class displays symptoms of coronavirus
- adhere to the protective measures required by the school
- ensure your child comes to school with all necessary equipment (as spare equipment cannot be given out) and a filled water bottle
- ensure your child understands the importance of adhering to the protective measures put in place by the school and Government.
