Head, Peter Fry, said:

“The Willink School is delighted to announce this year’s GCSE and level 2 results. We send our congratulations to students who have so worked hard – their success is justly rewarded; they have shown great resilience over these last few years. Grades overall were down on the last two years in line with national figures but stacked up well against the high watermark of 2019. Almost all our students can now seamlessly move on to their post 16 courses. My thanks to teachers and support staff who have supported and championed this cohort through their exam years”.
