

# School Canteen

Our school canteen is run by Dolce Catering and is open to students at break and lunchtime. There is a large range of food and drinks on offer to students from sandwiches and baguettes available from the sandwich van to roast dinners and noodles served from the live cooking station. Vegan, vegetarian and gluten free options are also available.

Students purchase all food using their fob, which will be issued to them at the start of term. You have control regarding how you pay whether this is monthly by direct debit or a top up to the fob as required. Daily spend limits are automatically set at £3, but this can be changed through your account settings. Attaching the fob to a keyring is recommended.

Please see the enclosed Welcome Letter from Dolce with details about how to activate your account.
