RE: Art Equipment and Donation Appeal

Dear Parent/Carer,

To ensure that your child receives a high-quality art education at The Willink School, the following materials will be required for each Art lesson. These top-quality items are available to purchase from the school at a very reasonable cost:

- Ring-bound A4 sketchbook (180gsm) - £5.00
- Set of drawing pencils (2B–2H) - £3.50
- Fine liner pen - £1

We kindly request that you order the necessary items via the school's online payment system, Scopay. If you do not yet have an account set up, please contact the Finance Office to obtain a link code.

A well-structured art curriculum is essential for fostering creativity, critical thinking, and emotional well-being in students. It provides opportunities for self-expression, collaboration, and the development of valuable life skills. Our Art and Design education complements academic learning, enriching students' overall educational experience and achievement.

However, due to government budget allocations, we find ourselves increasingly reliant on parental contributions to sustain the practical and creative experiences we offer students. We would be extremely grateful for a one-off donation of £2.00 at the start of each academic year to help us continue providing an engaging and resourceful Art education. There is an option on Scopay to buy the equipment listed above, including the donation with one click – a total of **£11.50**. Your generosity and support in this matter are deeply appreciated.

Yours sincerely,

Mrs J McDonald
Head of Design

Mrs R Hobbs
Teacher of Textiles

Miss G Berry
Teacher of Art
