RE: KS3 Design & Technology Donation

Dear Parent/Carer,

This year your child will study Design & Technology rotating through three subject areas: Textiles, Product Design and Food & Nutrition.

To help cover the cost of the materials used, we ask that a contribution of £10.00 is paid for the entire year. We would kindly ask that you donate via the school's online payment system, Scopay. If you do not have an account set up, please contact the Finance Office to obtain a link code. If your child is in receipt of PPG (Pupil Premium Grant), the school will cover this cost.

The distribution is outlined below:

DESIGN - £10.00

- £5.00 to Product Design - to cover materials: aluminium, acrylic, electrical circuits etc.
- £4.00 to Textiles - to cover materials: fabrics, thread, etc.
- £1.00 to Food - to cover salt, pepper, oil etc.

If you have any queries, please do not hesitate to contact the Design Faculty for further information. Thank you for your continued support.

Yours sincerely,

Mr P Downing

Head of Design & Technology

Please return this slip to your child's DT teacher

I confirm that I have received and read the letter regarding donation for KS3 D&T
